Subject:- Regarding grant of leave to Sri R. Chakravarthy, Department of Archaeology.

1) The Director of Archaeology in his letter No. 435 dated 2/3 september 1953 intimated Government that he had refused five months and 19 days leave entitled to Sri R. Chakravarthy, Archaeological Assistant in the interest of the work of the Department and permitted him to utilise the leave after the date of superannuation viz. 6-2-1954 and requested approval of Government for the action taken by him.

2) In the meanwhile a recommendation was made by the Director, in his letter No.607 dated 13-11-1953 for extension of his services by one year. There was some correspondence between Government ~~Government~~ and the Department in the matter. In the interval, the official ~~xxx~~ attained his 55th year. But the Department continued his services even thereafter undertaking an assurance from the official that he would not claim any pay or remuneration for the period of his work after 6-2-1954 in the event of his services not being extended. Orders refusing him extension of service beyond 6-2-1954 were issued on 9-4-1954. On a further representation from the Department, the matter was once again considered and ~~the period was considered and~~ the period of service rendered by the official from 6-2-1954 (date of of superannuation) to 10-4-1954 was treated as extension of service.

3) The Financial Secretary observed that necessary concession has been shown to the official already and that there seems to be no need to grant him any further concession by way of grant of leave from 10-4-1954. This was approved by the Law and Education and orders were issued accordingly in letter dated 21-1-1955.

and 19 days leave refused from 6 2-54 (He was granted extension of service upto 10-4-54)

Hon Secretary

Respected Sir,

I most respectfully beg to submit the following facts to your kind consideration and favourable orders.

1. I was working as an Archaeological Assistant in the Department of Archaeology, Mysore.

2. I applied to the then Director of Archaeology on 17-8-1953 to grant me Six months of combined leave preparatory to the date of retirement, viz, 6-2-54. The leave was refused on account of the exigeneies of Government work in connection with Archaeological tours and reported to Government for their kind approval by the Director of Archaeology and intimated to me in his Memo No. 444 dated 3-9-1953. As orders of Government in the matter were not received I was not relieved and I continued on duty up to the date of superanuation and even after up to 10-4-54. The period from 6-2-1954 to 10-4-54 was treated as extension of service by Government in their order No. E. 3160-1/ Arch. 1054-2 dated 24-6-54. and I was retired with effect from 10-4-1954.

3. Under the above circumstances I have been put to strained circumstances both domestically and economically as I continued in service up to the very date of ~~appx~~ retirement that is 10-4-54 and was not allowed to settle my retired ~~life~~ life.

4. I approached the Government through the Director Archaeology to grant me the leave refused. The Director was also pleased to recommend my case. But, to my disappointment, I have been informed that Government have in their No. E.

7

15614 dated 20-1-55. stated that no more concession can be grant~~grou~~ed to me.

5. The facts presented by me in paras 1 to 3 inclusive clearly show that I have not been granted any concession by Government. I have worked to the last hour of retirement and paid therefor.

6. I therefore, most respectfully beg of your Honourable self to reconsider my case most sympathetically and grant me the refused leave for Six months.

7. For which act of kindness I shall remain ever greatful to you.

I beg to remain,

Sir,

Your most obedient Servant.

Respected Sir,

I most respectfully beg to submit the following facts for your kind consideration and favourable orders.

1. I was working as an Archaeological Assistant in the Department of Archaeology, Mysore.

2. On 17-8-1953, I applied to the then Director of Archaeology to grant me six months combined leave preparatory to the date of my retirement, viz., 6th February 1954. The Director of Archaeology refused to grant the leave applied for by me on account of the exigencies of Government work in connection with the Archaeological Tours and reported the fact to Government in his Memo No. 444 dated 3rd September 1953, for their kind approval. As orders of Government in the matter were not received, I was not relieved and consequently I continued on duty up to the date of superannuation and even after up to 10th April 1954. The period from 6th February 1954 to 10th April 1954 was, however, treated as Extension of Service as per Government Order No.E. 3160-1/Arch. 1054-2 dated 24th June 1954 and I was actually retired from service with effect from 10th April 1954.

3. Under the above circumstances, I have been put to strained circumstances, both domestically and economically, as I continued in service up to the very date of retirement i.e. 10th April 1954, and was not allowed to settle my retired life.

4. I approached the Government through the Director of Archaeology to grant me the leave refused. The Director was also pleased to recommend my case. But, to my disappointment, I have been informed that Government have, in their order No. E. 15514 dated 20th January 1955, stated that no more concession can be granted to me.

6. I, therefore, most respectfully beg of your Honourable-self to reconsider my case most sympathetically and grant me the refused leave for six months on my full pay.

For this act of kindness I shall ever remain grateful.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

read:-

Government Order No.F.3160-1/Arch.10-54-2, dated 24th June 1954, directing that the period of service put in by Sri.T.Chakraverti, Archaeological Assistant, from the date of superannuation i.e., from 6th February 1954 to 10th April 1954, the date of retirement, treated as extension of service.

2) representation dated 26th August 1955 from Sri.T.Chakraverti praying for grant of refused leave to him for six months on full pay.

and connected papers,

Bangalore, 6th/11th January 1956.

Sri.T.Chakraverti, Archaeological Assistant of the Department was due to retire on 6th February 1954 by attaining the age of superannuation. But the Director of Archaeology intimated Government in September 1953, that he had refused five months and nineteen days leave entitled to Sri.T.Chakraverti in the interest of the work of the Department and permitted him to utilise the leave after the date of superannuation i.e., from 6th February 1954 and requested approval of Government to the action taken by him. In November 1953, he also recommended to Government for grant of extension of service to Sri. Chakraverti by one year. When the above recommendations were under consideration, the Department continued the services of Sri.Chakraverti even after 6th February 1954, the date of his superannuation, till 10th April 1954. Since the services were continued beyond the date of superannuation, the period of service rendered by the official from 6th February 1954 to 10th April 1954 was treated as extension of service in Government Order dated 24th June 1954 read above.

In August 1955, Sri.Chakraverti represented to Government, that he may be granted refused leave for six months on full pay from the date of his retirement.

On a re-examination of the matter, Government consider that in fairness and equity Sri. Chakraverti should be granted the leave

[illegible] credit, [illegible] are returned by the Director in interests of Departmental work. They are therefore pleased to direct that Sri.Chakravarti be granted three months and fifteen days combined leave from 10th April 1954, the date of his retirement.
